Overview:This penthouse is located in a complex that was completed in 2016 and from our point of view has the best location within the La Cala Golf resort - you have a sunny south orientation with sea views and are directly on the golf course. The penthouse has 3 bedrooms and 2 bathrooms. The living room is particularly bright, as the window front to the terrace encompasses almost the entire long side. The open kitchen is separated from the living room by a breakfast bar - this creates a spacious and bright living room. From the terrace you can enjoy a fantastic panoramic view of the sea and the golf course. From the terrace a staircase leads up to the enormous roof terrace - here you can also enjoy the incredibly beautiful view - an ideal place to relax and enjoy the sun. This penthouse has a 12 m2 storage room and 2 garage spaces, which are included in the price. The Penthouse has Under Floor Heating through out the entire apartment.
