---

Overview: Beautiful townhouse in a small development, in one of the best residential areas of Marbellas Golden Mile. Built on 3 levels, entrance level: guest toilet, fully fitted kitchen with small service terrace, living/dining room with direct access to a terrace overlooking the pool. On the lower level you find the master bedroom suite and 2 further bedrooms sharing a full bathroom. There is another terrace on this level. Large sun terrace with barbecue, toilet and laundry room. The project was designed by the prestigious architect Angel Taborda. Top quality fittings and in best condition.
