Описание:Housing one step away from the center of Fuengirola 300mts and one step away from the best commercial area on the coast 400mts, next to the fairgrounds, this location allows us to have all the services nearby such as the tranquility of living in a family chalet area. It has a 30m2 landscaped patio in front to enjoy the good sun and moments of relaxation or have the option of converting it into a garage. Upon entering the ground floor we find a hall that has a fully renovated bathroom, it connects us to the left to the spacious living room with a gratifying light achieved by its two windows. From the hall we also communicate to the kitchen with sufficient dimensions for its good use and daily dining room. From the kitchen we have access to the backyard of 18m2 where we find a washing machine, drying rack and small storage area. On the upper floor we find the 4 very comfortable bedrooms, all exterior, one of them with access to a balcony with unobstructed views towards the fairgrounds, on this floor there is a bathroom with a bathtub. Finally we go up to the attic where it can be used as a small office or a gym. To complete this house with great potential we have a large terrace, with views of the city and the beautiful mountains, hot and cold water connection.
