Overview: A rare opportunity to purchase a 4 bed penthouse within the best area of Benalmadena Costa and one of the most privileged communities around Paloma Park - Pueblo Quinta. This large penthouse is distributed all on one level. A private lift will take you up to the level of this property where there is a large gated patio before entering the property. The property itself has a large Lounge/dining area, Independent kitchen, with utility area and conservatory. Three bedrooms and 2 bathrooms are also on this level, as well as a large sunny terrace with lovely sea views. The fourth bedroom is located within the clock tower! A very special penthouse unlike any other in Benalmadena Costa, viewings highly recommended.
