Overview: Absolutely stunning fully rebuilt and refurbished villa in a lower part of Riviera del Sol. The property offers panoramic views towards the Mediterranean and the coast, is tastefully decorated and offers every detail to guarantee the comfort. This villa occupies 3 levels that are: - main level with the lounge with a chimney leading onto a spacious private terrace, dining area, modern kitchen and a guest toilet; plus there's a separate studio or guest accommodation - the first floor is divided into 3 spacious bedrooms, each with its own bathroom and nice terraces with fascinating views - basement level where there is a nice games room with sauna and gym. Heated floors, independent airco, private terraces and games room just few of extras you will be able to appreciate when you visit the property. Highly recommended.
