The main house occupies the first and second floor and has been fully renovated using the best building materials. On the first floor there is a large living room with kitchenette, a bedroom, currently used as an office, plus a bathroom. The second floor is where the master bedroom is located, with its own en suite bathroom and a dressing area, plus 2 further bedrooms that share a bathroom . It also boasts a large solarium with barbecue and a chillout area where one can enjoy the wonderful views of Sierra Blanca. The second house is located on the ground floor and has 3 bedrooms, 1 bathroom, a kitchen and living room.
