Overview: Fully refurbished and updated villa with a huge main house and 6 luxury cottages which has been renovated to detail by the owner to provide peace and harmony. The current owners are using it as a boutique hotel but can easily be made in to a luxury villa again with not much work. Each cottage is independent and has its own patio or garden space. They are decorated with delicate French, rustic chic taste and up to date modernistic standards! The very special blue of the salted swimming pool, the palm trees, the exotic plants and the garden furniture, everything is especially designed to relax and enjoy. The villa a beautiful hideaway, and constructed in traditional Andalucian style, and decorated by the owner herself. Truly a huge villa very well worth viewing and situated on a to die for plot with open sea views. Viewings essential!
