Overview: An amazing opportunity to purchase 29,110 mt² of rustic land at the top of Riviera Del Sol which already has a large wooden house where the present owners live and a rustic villa which was started to be built a few years ago which needs to be finished or knocked down and restarted. The half built villa has a ground floor size of 278.15mt² plus 84.82mt² of covered terrace and it also has an open basement of 230.00mt², the plot surrounding the villa is described as being 362.97mt². The land has its own well for water. At present the water, sewage and electric is not connected to the mains supply in Riviera, the wooden house electric is supplied by solar panels, the sewage by a septic tank. Fantastic views and well located within 5-10 minutes drive of the beach, shops and restaurants!
