AREA: Guadalmina is renowned as one of the most elegant and well-established residential areas in Marbella and is characterized by large private homes bordering onto the green fairways of Real Club de Golf Guadalmina. It is divided into two zones with Guadalmina Baja on the beachside and Guadalmina Alta on the mountainside. Though the area is recognized for a low density of spacious and luxury villas complimented with views to the Mediterranean Sea, or onto broad and luscious fairways, the area also offers quaint urbanizations of townhouses in Andalucía pueblo design. In addition, there are some attractive apartment buildings featuring white modernist design and views over the beautiful golf course that is a central part of the lifestyle. Among its many features, Guadalmina excellent infrastructure, offers a Commercial Center where a plethora of restaurants, shops, banks, cafes and local business' provide all the services and convenience one could desire as well as three international schools in the area.

LOCATION: San Pedro de Alcántara is in an ideal situation, just 10 kilometres west from all the glitz and glamour of Marbella, a few minutes drive from the natural beauty of the Sierra de Ronda mountain and 20 km from Estepona town. Today San Pedro is a refreshingly unspoilt pueblo with an appeal all of its own. The central plaza has a gracious parish church and surrounding narrow streets which are packed with intriguing small shops, sidewalk cafes and bars. Thursday is street market day with all the hustle and bustle, a veritable bargain shopper's paradise. A pleasant walk is from the centre to the beachfront along the Avenida del Marques del Duero which is a particularly attractive wide avenue flanked by palm trees and the modern wide promenade is ideal for continuing your stroll (or skateboarding!) with several excellent chiringuitos (beach side restaurants) specializing in fish dishes.
