Overview: You know sometimes when entering a house you have this feeling, as the French put it so lovely "un coup de foudre", in English "a thunderbolt" or let's just call it love at first sight. It is worth a visit in order to feel the atmosphere. Magnificent views from the cosy living room with fireplace and from the master bedroom. Space for your own kitchen garden. A beautiful private swimming pool. The house has in total more than 350m² inside, the plot itself is around 4000m² but low maintenance. The house has an open plan layout which creates space but also gives privacy. There are 4 bedrooms and 4 bathrooms, one bed- & bathroom is located in a separate studio. You can only rent long term - 1 year minimum. It is rented out furnished or if rented for more years non- or semi-furnished is negotiable. Once in love the owner might consider selling his home to you. Unique possibility, don't hesitate to schedule your visit.
