Overview: This large 4 bedroom villa is located on a plot of over 1,000 m² in Valle del Sol, about a 20 minute walk to the centre of San Pedro de Alcantara. It consists of 3 floors. On the main floor you will find a fully fitted kitchen with separate laundry room, 3 double bedrooms, 1 full bathroom, a guest toilet and a bright living/dining room with fireplace, high ceilings and large French doors leading out to the terrace, garden and swimming pool with outdoor kitchen and barbecue. The living area and bedrooms are separated by a few steps, which gives this floor a spacious layout. Upstairs you will find the master bedroom with ensuite bathroom and access to the roof terrace. Downstairs you will find a large and bright basement which could for instance be converted into a guest apartment. The villa is located less than a 5 minute drive to the beach and a 2 minute drive to several impressive golf courses.
