Overview: Fantastic investment potential in exclusive gated community. One of the very few large buildable plots left in this exclusive area. It currently has an old villa but is classified UE4, with permission to build up to 8 x villas on plots of minimum 1,000m² with 330m² build size each (plus basement), 4 x villas on plots of approx 2,000m² each with build size of 660m² each (plus basement) or to extend and renovate existing property to an amazing villa of 2640m² built size. Good sea views would be gained from the villas on the upper part of the plot, whilst the ones on the lower part would have sea views from the solarium.
