Overview: A stunning penthouse with its own plunge pool on the terrace in a very central location in Calahonda! This amazing penthouse with 3 bedrooms and 3 bathrooms is one of its kind. The location is unbeatable, within walking distance to amenities, shops and restaurants as well as the lovely beach promenade which stretches between La Cala de Mijas y Cabopino. The apartment is in need of some renovation, which means that the new owners can put their own stamp on it. On entering the apartment there is a wide hallway, and already there one is taken away by the stunning views! To the right you have a spacious kitchen with a separate utility room. The lounge is extremely bright and incorporates a lovely fireplace. Wide patio doors lead out to the south west facing terrace with views over sea, golf and the green park in Calahonda and here you will find the most amazing plunge pool. Perfect for a nice cocktail in the early evening, before strolling down to the beach for dinner. To the left of the lounge there are two bedrooms and two bathrooms, and on the other side there is one more bedroom en-suite. The urbanisation is extremely well kept with a large swimming-pool as well as a jacuzzi in the communal areas. There is communal parking in the secure and gated community. The penthouse is sold fully furnished and the owner is wishing for completion Spring 2022.
