Overview: Beautiful 4 bedroom, 3 bathroom Villa set in a large, tranquil plot at the end of quiet road, this property boasts a rustic style interior and extensive gardens with panoramic views to the Mediterranean. The ideal location of the property provides the best of both worlds ... a relaxing holiday retreat only 3 mins by car from the restaurants, tapas bars and shops of the pretty 'White' village of Mijas. There is a fully fitted kitchen and there is a separate utility room. The first bedroom is accessed from the hallway and has its own en suite bathroom. The spacious main bedroom (king size bed) which also has an en suite bathroom is accessed from the lounge and has large patio doors onto the terrace. The other 2 twin rooms can be accessed via connecting doors from this bedroom, they share a shower-room situated between the 2 rooms. Alternatively these 2 bedrooms can be accessed by the patio doors which lead directly from the garden. The patio doors lead to a pretty bougainvillea draped terrace. The pool which is private and not overlook, is situated a few steps below the house in extensive and mature gardens. There is a roof terrace with amazing views across the Andalucian countryside. The gardens are separated by tropical trees and plants into various grassed areas and terraces which provide both sun & shade. A must see!
