Overview: Charming and Spacious Villa within walking distance to the centre of the charming picturesque Village of Mijas! Gorgeous Private Swimming Pool, Sunny Terraces around the property, quietly set yet close to everything!! Truly must be seen to be appreciated! The property was originally two townhouses that have been converted into one spacious and splendid residence. The property boasts open views to the village, mountains and the sea beyond. There is an ample parking provided in a car port and also a lock up garage. The property comprises two entrance halls, 2 spacious reception rooms, a brand new modern kitchen and two double bedrooms on the ground floor, both with en suites. On the upper level and leading from the landings are two spacious double bedrooms both with en suite. One of these rooms has an integrated office space, while the other is triple aspect. Both have large terraces leading from them. Outside is a good sized pool with Andalucian water feature affording total privacy and several open and closed terraces together with two storerooms. Additional features include part gas heating and air conditioning. A must see!
