Overview: Fantastic location for this groundfloor corner apartment walking distance to all the amenities and the beach in Calahonda Royale. The apartment consists in 2 bedrooms with built-in wardrobes, sharing a bathroom with a window, a semi-open kitchen in need of renovation and a large covered and fully glazed terrace with barbecue and a door giving access to the communal garden. This communal garden could be negotiated to be private with the community if desired. The apartment needs some painting and TLC but it has a lot of potential to become a lovely private corner apartment facing a quiet green area with fruit trees. The Urbanization offers a nice communal swimming-pool and a gated communal parking area.
