The townhouse has a charming entrance directly to the living and kitchen area, which in turn opens out to a private fully back terrace garden. The kitchen is fully equipped with washing machine, dishwasher, oven/hob and the comfortable lounge has a lovely fireplace. On this ground floor there is a useful guest toilet. Upstairs there are 2 double bedrooms, both with ensuite bathrooms. The Master Bedroom also has its own private terrace with absolutely fabulous panoramic west facing views to see stunning sunsets over the sea. There is a private allocated parking space directly in front of the house. Viewing recommended! Great investment beachside with easy walk to the beautiful port of Cabopino.
