Overview: Panoramic views apartment in the well maintained area of Los Arqueros. This 3 bedrooms apartment is located in the perfect spot to have the best views over the coast in the area. Stunning sunrises to the left while watching the famous la Concha mountain and amazing sunsets to the right with an amazing view over the bay on the West side of Marbella, plus the panoramic sea views straight to the front that you can see while laying on your sofa and sipping a nice cold drink during the amazing summers on the beautiful Costa del Sol. Nonetheless the beautiful views can be also be enjoyed from the swimming pool area for those who don't want to be on the sandy beaches everyday, which is a shame, we have the best ones! Viewing this apartment is highly recommended as we do believe the photos don't do it justice, those breathtaking views will speak for them self once on-site. It is a great property for permanent living or renting investment!
