Overview: This restaurant is in a prime location on the Golden Mile situated opposite the renowned Marbella Club. The restaurant is currently run as a healthy food and juice bar and is for sale as a leasehold. It is a spacious building with an equipped bar area and lots of outdoor, covered patio areas. There is also an opportunity to rent above the restaurant for extra storage space or offices and also an option to rent private parking if required. This is an excellent opportunity to run a business in a prime location of Marbella.
