Overview: Beautiful corner townhouse in this established and popular community in Nueva Atalaya. The house is south-west facing and enjoys morning sunshine by the entrance side and afternoon sun in its private garden facing south and west. Built over 2 levels with a spacious living room, fully fitted kitchen, utility room and guest toilet on the ground floor. Upstairs has the master bedroom with en-suite bathroom, 2 guest bedrooms sharing a bathroom. Terraces off all 3 bedrooms. Being a corner house the living room is extra bright with large windows on 2 sides, and the private garden also wraps around the house. The gated community of Vista Azur is conveniently located less than 500 meters from a commercial center with shops, bars and restaurants. 15 minutes walk down to the beach, 5-10 minutes drive to San Pedro and Puerto Banus. Close by are also the golf courses of Atalaya, Guadalmina and El Paraiso. Excellent buy be it for holiday use or for permanent living!
