Overview: Commercial premises with smoke outlet, this premises located in one of the busiest streets in all of Fuengirola, has 120 m2, a glazed terrace adapted to the latest regulations of the Fuengirola City Council, a partially equipped kitchen with tables and chairs, Opening a bar is the dream of many people, but how much does it really cost to start it? Many factors come into play: the price of the premises, the type of clients they want to accommodate, where it will be located or the size of the establishment, among others. One of the most important points is the location, and this place has a pedestrian and car passage area that is higher than the average for the rest of the municipality.
