Overview: Really must be seen to appreciate this fabulous two bed - two bath, ground floor apartment, which has a Tourist Rental License. This is a cosy and comfortable apartment which has an open layout with a well appointed modern kitchen. The apartment has a contemporary style combined with an antique look. It has a pleasant atmosphere where you will feel at home straight away. There is a Spanish feel when you are in this spacious apartment. Also there is a lovely private, sunny garden with a shaded terrace for those hot summer days. This apartment is in a small Andalusian type community, with a shared pool and gardener to keep the gardens looking wonderful. It is a very sought after community as it is only a 10-minute walk to the popular beach of Kalifato. The location is ideal. You have Fuengirola and Benalmadena on your doorstep. Excellent for an investment or simply to enjoy!!!!
