Overview: A fantastic opportunity to own a restaurant with attached house in a pleasant location on the edge of Mijas, near Fuengirola, Urb. Villa La Magdalena. This would be an opportunity with many build possibilities and definitely worth viewing to see the immense potential. Recently a thriving restaurant and is waiting for the perfect owner to take on this new challenge and adventure! Built with high quality materials and air conditioning in all areas. House consists of two bedrooms two bathrooms, two kitchens. One bedroom is an independent living space with its own bathroom, kitchen and independent access to the street. Terrace with great views and building licence to add another floor above the Restaurant for a chill out space or to create another duplex. No community fees
