Overview: Location, location, location! A warm welcome to this charming studio. The residence is located in Pueblo Lopez, a nice and genius association in Andalusian style located in the heart of central Fuengirola. With just a stone's throw to the bus and train station, you can easily get around the entire coast from here. A perfect starting point for you who want to transport yourself easily. In addition, it is a big plus to have restaurants, bars, cozy squares, Fuengirola's harbor, shops and the lovely promenade just around the corner. It can hardly be more central! The home is located upstairs on the first floor. The studio consists of kitchen, living room and bathroom. Between the kitchen and living room there is a wall with a window and a breakfast bar. The living room has a dining table and a sofa bed as well as a French balcony overlooking the cozy little courtyard. In the hall, wardrobes have been built in from floor to ceiling with good storage space. It is a peaceful and homely area right in the center with all amenities within walking distance. This home is an excellent choice for those looking for a permanent home or holiday home. As I said, the train station is around the corner. The train runs every 20 minutes and costs only a few euros and takes you to, among others, Malaga Airport, Malaga city center, IKEA, the shopping center Plaza Mayor etc. This is a fantastic cozy home but top location, do not hesitate to contact us to book a tour! 1 km to the beach and the harbor 20 min drive to the airport 25 min drive to Malaga city center 30 min drive to Marbella
