Overview:Alhambra del Golf has 24 hour security, and really spectacular common áreas, with a lake-type enormous swimming pool and a lush garden with numerous magic endroits. Of the Alhambra del Golf phases, this one is undoubtedly the one with the most spectacular grounds, it is really like being in a luxury resort in Dominican Republic! A couple of minutes away one finds the Tennis and Padel club, with a great family atmosphere. The apartment is sold completely and profesionally decorated, with a classic and cozy touch, elegant and happy at the same time, as one can see in the photos attached. Another of its big pluses is the spacious terrace, west oriented and flooded with light in the afternoon, and absolutely private. A perfect solution if you want to invest in a luxury environment and completely ready to move in.
