Overview: Magnificent flat, in Benalmádena Costa, very close to everything: shops, leisure, parks, and, above all, less than 150 meters from the beach. If that doesn't convince you, from its terrace you can enjoy dreamlike panoramic views... What about a private roof terrace of more than 50sq m, with barbecue area, electricity and water point, and a pergola, where you can set up your chill-out area, with 360 degree views of the sea and the mountains? All this, in a very stylish urbanisation, very well kept, with few properties, and well maintained, with a normal community charge. It includes a communal swimming pool with toilets, and, very important, a large parking space and a storage room, next to the lift. What more could you ask for? It's time to take that step you deserve and let the sun and the sea into your life. Call us to visit it. We have keys.
