Overview: We present a beautiful apartment in the popular Jardines de Las Lagunas, which was completed in 2020. Open plan, bright and airy with a lovely and spacious terrace to enjoy the outdoor life on. This is an already built new development of the highest class that offers tropical gardens, a communal large and beautiful pool area and a gym with sauna. Add to that a parking space in the garage and a spacious storage room! The entire area of Las Lagunas is undergoing a major facelift and adjacent to the property a gigantic green area will be built and nearby Fuengirola's new hospital will also be built later on. The nearest golf course, Mijas Golf, is less than 1.9 miles away and within a 16.2 miles radius there are 15 others to play at. From here you go can down to the port of Fuengirola in 35 minutes (3 km) and to the airport it is about 30 km. In the surrounding area there are supermarkets, pharmacies and several restaurants and bars and it is easy walking distance to the large Miramar shopping center (900 meters). The community does not allow short-term-rentals.
