Overview: Simply a unique Villa for sale in Mijas designed in a Scandinavian style with a lot of space and 3 separate sleeping departments and not to forget, the amazing panoramic views towards the sea + the fantastic mountain settings in the background. This +600m² house is built on a 4.700m² plot. When you enter the house, the fantastic views welcome you. Walking in and on your right-hand side, you will find a huge lounge and dining room with big floor to ceiling window to enjoy the views. To your left you will find a huge modern kitchen. From both the lounge, entrance, and the kitchen you can walk straight out the terrace. On the same level you will find the master bedroom ensuite and another big bedroom ensuite. There is a two-bedroom guest house and on the ground floor you find the 5th bedroom en suite. In the basement you have the garage with room enough for two cars, the engine room, and a gym. There is a beautiful and big pool area and plus a jacuzzi. There are a lot of possibilities... The garden is mature and with a tropical feeling.
