Overview: One of the best penthouses in the complex. Alta Loma is situated next to Club La Costa and the apartment was originally a one bedroom, one bathroom apartment but the sellers have converted the loft into a very spacious second bedroom with extra room for storage so now it has two bedrooms and one bathroom. There is a fully fitted open kitchen and patio doors leading out from the lounge to a lovely terrace with excellent sea and garden views. An underground parking space is included in the price. The beach, shops and restaurants are all within walking distance! This Penthouse could be internally connected with R4061329. MUST BE VIEWED!
