Overview: This must be one of the most charming cottages available for sale on the Costa del Sol. The property is part of a finca, which was then segregated to create a very unique and charming property, full of character. Although the property is extremely private and located in a quiet setting in the area of La Loma in Mijas, it is located less than 5 minutes' walk to the shops and 15 minutes' walk from the beach of Fuengirola. The property is ideal for anyone wanting to own a property full of charm and is willing to do a bit of upgrading. Viewings are highly recommended!
