Overview: Spacious and very charming middle floor apartment in one of the most consolidated communities in Guadalupe Baja, frontline golf. The Apartment boasts a nice entrance hall, with the very large kitchen with pantry, to the right, leading into the spacious living and dining area with access to the lovely terrace overlooking the golf course. Passing the dining area, a hallway leads to the 3 spacious bedrooms, with built in wardrobes, the master bedroom en-suite and the 2nd bathroom. Central gas heating installed. This could make a lovely family home but is also interesting as an investment due to the location: frontline golf, only a short walk to the beach and close to the buzzing life in Puerto Banus.
