Overview: Early viewing is recommended for this stunning garden apartment which offers amazing sea views from its elevated location in Los Arqueros Golf & Country Club. Larger than the normal units in Los Arqueros this garden unit is more like a villa feel than an apartment, with its large garden and direct pool access you do have it all. Los Olivos is a small gated community within Los Arqueros Golf & Country Club occupying a superior elevated position. The community is made up of 72 two and three bedroom apartments and penthouses and some very spacious 4 bedroom duplex penthouses. Most of the properties offer magnificent views of the Los Arqueros golf course, surrounding mountains and Mediterranean Sea. The apartments all have underground parking and lift access and some also have private storage rooms. Los Olivos boasts two communal swimming pools with separate children's pools set amongst mature manicured gardens where La Zagaleta offers a green backdrop..
