Overview: Magnificent townhouse with sea views located in one of the best urbanizations on the Costa del Sol, Alcazaba Beach, a private and gated community, on the beachfront and close to a wide variety of services. With excellent well-kept tropical gardens, two lakes, a large swimming pool for adults, a children's pool and a private gym. Upon entering the property, we find a spacious living room with dining area with direct access to the terrace, which leads out to the communal gardens. The kitchen is fully equipped, it also has a laundry room, separate from the living room, but open to the dining room. On the first floor there are two bedrooms, both with en-suite bathrooms and access to the terrace. On the upper floor there is a solarium, with a barbecue area, plenty of storage space and ideal for relaxing and enjoying the sun and a wonderful sea view.

Features:
