Overview:Welcome to a not-to-be-missed investment opportunity on Marbella's Golden Mile! There are two plots, one of 1018M², and one of 1034M², both with excellent sea views thanks to their elevated position. The plots are to be sold together, not separately. The plot enjoys fantastic views to the Mediterranean Sea, with the iconic La Concha as a backgdrop. Located in the well-known development of Las Lomas del Marbella Club, close to all amenities, Marbella town and Puerto Banus. * There is a project for 2 stunning modern villas which can be purchased separately for 50,000€. We are advised that the license has been submitted for this project.
