Overview: Beautiful 2 bedroom elevated groundfloor apartment nestled amongst the majestic greens of the La Cala golf Resort. One never seems to get bored of the panoramic views these pristinely maintained units of the Altavista urbanisation provide. This immaculately kept 2 bed en-suite apartment, has a fully fitted kitchen with a laundry room leading out onto the back terrace and an ample entrance hallway and lounge with panoramic views of the golf course with the Mijas mountain as a backdrop. The lounge leads out onto the large, covered terrace which serves well in the summer months to escape from the direct sun and for the sun to beam in in the winter when its curvature is at a lower level. Both bedrooms are ensuite and have plenty of wardrobe space, especially the master with a walk through wardrobe en route to the bathroom, master leading out onto the front large terrace and the second bedroom having its own private terrace to the back of the property. Large storage room and underground parking space including in the price. Lift access directly from parking space to front door. This apartment comes fully furnished. La Cala Golf is one of the finest golf resorts Spain has to offer with its three superb championship courses, a luxury hotel with spa, clubhouse with sports facilities, bars and restaurants. 10 minute drive to the beach, 20 minute's drive to Marbella and 30 minute's drive to Malaga airport. We have keys for easy viewings.
