Overview: Magnificent detached classic style 3 bedroom Villa built on an elevated plot of over 1,700 m<sup>2</sup> with panoramic views and a wonderful mature garden. This property is located just below the town of Mijas in a very quiet and established residential area. This independent villa of more than 350 m<sup>2</sup>, renovated in 2006, is distributed over two clearly differentiated floors and consists of 3 large bedrooms, 3 full bathrooms, two living rooms with fireplaces and a large fully equipped independent kitchen. In addition, we have a covered garage for 1 vehicle and an outdoor space for another 3. We highlight the large plot with a well-kept mature garden and a perfect south orientation that offers us incredible views of the Costa del Sol and the Mediterranean Sea. In summary, a great classic Villa with a large plot and with the best views over the Mediterranean Sea and the mountains, all just a few minutes walk to the center of Mijas Pueblo or by car to the Center of Fuengirola and therefore from the best beaches. of the Costa del Sol.
