Overview: Front line beach apartment in a modern building with lift with spectacular sea views. The apartment consists of 3 bedrooms, kitchen and bathroom, right on Estepona promenade!! It is very spacious and has loads of potential. Avda de España is currently being pedestrianized and new properties in Estepona front sell for over a million. This is a great opportunity to grab an exclusive spot in an emblematic building and give it a full face lift. The property has 3 double bedrooms, a living room dining room with double doors to the large terrace, one full bathroom plus a guest toilet and a side covered terrace hosting the boiler and washing machine. The apartment block has marble flooring, lift and concierge and is in great condition. A fabulous investment!
