Overview: Ten minutes by car from the beaches of Marbella is a charming town where you can enjoy the calm. Its location is perfect for any activity, near the Costa del Sol and at the entrance of the Sierra de las Nieves. Ojén is one of the most beautiful white villages and, according to The Sunday Times, one of the best places in the world to live. Right in the center, a few steps from all the services (bank, pharmacy, town hall, bars) is a spacious apartment with two bedrooms and two bathrooms, recently furnished, with a beautiful current and modern design, to which you will only have to take your things. We access the house and find a living room in pastel colors and large windows from which to rest after a day at the beach or hiking. The kitchen is independent with a small bar, perfect for having a coffee in the morning. The main room is spacious and has an en-suite bathroom with a bathtub, ideal for maintaining privacy and resting from the family or relaxing if you receive visitors (it is very likely in such an environment). The other room has a built-in wardrobe, expanding the storage space and, to top it off, a second full bathroom with a shower. If you thought that living in an idyllic setting a few kilometers from Marbella was something inaccessible, this opportunity is perfect for you. Your dream within reach of a call.
