Overview: This charming Semi-detached Town House in the elegant Guadalupe Baja a few steps from the beach and the 5 star Hotel Guadalupe . Built in the charming Pueblo style the house is completely refurbished . Small community with 24h. security . Originally a one bedroom townhouse , the owner has built a second studio - bedroom with bathroom and kitchen in the patio . The studio is 21m² . It has its own entrance so you don't have to enter main House to access the studio , giving you freedom . The urbanization has no pool as such - but next door in the restaurant they have obtained use of the pool for all the residents of the Pueblo . This House does not have garage and storage , but if client wants he can purchase one as there are some available in parking of Urbanization . Perfect for all year living or holiday home with hi rental potential .
