This villa is distributed over 3 floors with more than 1,000 m² built, so all its rooms are impressively spacious and have very pleasant outdoor areas. It is located on a plot of almost 4,000 m² with a large private pool surrounded by gardens. At its entrance we find two closed garages for two cars. The main floor is distributed in a living room, where you can already start enjoying the wonderful views of the sea from the sofa, a completely renovated and fully equipped independent kitchen, and a large southwest-facing terrace.
