Overview:Amazing 2 bedroom townhouse, recently refurbished in Sierra Blanca, Golden Mile. This beautiful townhouse is located in one of the best areas of Sierra Blanca, in a gated and very quiet urbanization. Ideal for family holidays in Marbella. The house is accessed through a driveway with well maintained mature gardens and very close to the parking area, so it is a good position in the urbanisation to carry suitcases and shopping. We find the open plan living room and kitchen, which gives it a new, spacious and modern look, leading directly onto a large terrace where you can enjoy a good breakfast in nature or a meal with friends while you can control your children in the pool. The house has 115m2 built and about 20 m2 of terrace, 2 bedrooms and 2 bathrooms, one of them on suite, fitted wardrobes, marble floors and all the comforts to enjoy your holidays in Golden Mile. Do not miss this opportunity to spend a wonderful holiday in Marbella where both you and your children will enjoy the tranquility of the house and the proximity to Marbella centre, to do your activities, or to La cañada shopping center about 5 minutes to do your shopping, and of course the exit to the motorway about 5 minutes also to avoid the traffic jams to go to the airport.
