Overview: A superb investment in a very well established and low density complex in the area of Doña Pilar on the road up to Mijas Pueblo. This ground floor apartment currently has a large lounge diner and open plan kitchen, large en-suite bedroom, additional guest toilet plus 2 terraces on both sides of the property giving you sun or shade all day. The property would benefit from modernisation plus you have the space to construct a second bedroom if required. Owners also have communal parking plus the use of the well manicured gardens, large swimming pool and tennis court and all with very reasonable running costs.
