Описание: This little house in the Old Town of Estepona is just ideal as a lock up and leave or as an investment to rent out for either long term or holiday lets. The house doesn't have access to the fat roof terrace yet but can easily be done without the need for an architect and minor planning permission. Great value little house in a delightful spot.

Особенности:

None, None, Парковочные места, Дом отдыха, Инвестиции, Перепродажа
