Описание:MARBELLA LIFESTYLE! Located in Nagueles, one of the best addresses on the Costa del Sol. This stunning 4-bed, 4-bath home is located on the Golden Mile, only 5 mins to the heart of Marbella with its historic centre and beautiful beaches. A townhouse which is perfect for all year round living (close to many excellent schools) and with plenty of space in the house for family and friends. Built in a traditional, Mediterranean style, the house has open plan living with terracotta tiles throughout. Plenty of wardrobe space and storage. The private community also has a swimming pool and well maintained gardens. Malaga Airport is only 45 mins away.
