Описание: Superb value for this west facing ground floor studio within walking distance to La Cala de Mijas. This property is in good condition and is a great investment in a superb location with views into the communal gardens from the terrace and afternoon sun. Owners have the use of the large communal swimming pool plus gated communal parking. You truly can walk to the town, amenities, the beach and public transport so absolutely no need for a car. We have the keys in the office for viewings
