Описание: Do not miss being able to visit this charming Andalusian style semi-detached studio with large terrace, fitted kitchen, living room with fireplace, air conditioning and large bathroom in suite. All this in an enclave surrounded by tranquility and nature with views towards the mountains of Mijas. It is a very well maintained community with communal gardens and pool and lifelong neighbors. The complex also consists of an Italian restaurant and a small grocery store and is only about 2 minutes from the golf course and the famous Hotel Byblos. It is sold unfurnished.

Особенности:

Бассейн, Кондиционирование, Вид на горы, None, Частный сад, Система оповещения, Инвестиции
