Описание:Completely renovated Townhouse in beautiful La Cortijera, only 5 minutes walk from La Cala de Mijas town centre! This beautiful residential community has very nice gardens, a large community pool, tennis club and several restaurants and is very popular due to its great location close to the beach and within short walking distance to all amenities. The house has just undergone a complete renovation in Scandinavian style with new flooring, walls, windows, brand new bathrooms, kitchen and terrace as well as brand new furniture and appliances throughout. On the ground floor we have a Master Bedroom with Ensuite bathroom and two more bedrooms sharing a bathroom and upstairs we have the open-plan kitche and living room with dining area with direct access to the private terrace. The house has been used for short term rentals and is highly popular. A great opportunity as an investment or as a holiday home! Must be seen!
