Описание:Beautiful Townhouse in las Lagunas de Mijas. With Andalusian-style the property is composed of two floors with a total plot of 200 m2. On the ground floor, we find as an entrance, a beautiful and bright terrace with direct access to the house and the garage. The kitchen, the bathroom, the magnificent living-dining room with fireplace and the Andalusian-style interior patio, make up this large floor. The second floor we find an entrance hall, three spacious rooms, and it can even be extended to a fourth room due to the size of one of the rooms, a spacious bathroom and a covered terrace. The house needs a reform and would be ideal as an investment, being able to extend to a new floor. It is located in a very quiet area, near the "Corte Inglés", schools and other shops.
